

Routine Chart

Materials

- One plastic business card sleeve per participant
- One two-inch metal ring per participant
- One pipe cleaner per participant
- One clothespin per participant
- One set of printed routine pictures per participant
- One marker per four participants
- One hole punch per four participants
- One scissor per participant

Directions

- Select the pictures that are appropriate for your family. Add any pictures, drawn or photographs, of steps in your routine that are missing.
- Fold business card sleeve lengthwise.
- Punch a hole, using the hole punch in the top left corner of the folded sleeve.
- Place metal ring through both holes punched in top left corner.
- Loop pipe cleaner through metal ring (this allows routine chart to be looped over a door handle, on a hook or on the refrigerator door, etc.).
- Place pictures according to your routine in the sleeve.
- Write your child's name on the clothespin.

Activity

- Present the routine chart to your child.
- Talk about what is happening "now" and what will happen "next."
- Demonstrate how to move the clothespin once an activity is completed.
